

All India Institute of Medical Sciences (AIIMS), Raipur — At a Glance

Background & Establishment

- Established on 20 June 2012, AIIMS Raipur is one of six AIIMS institutions set up under the Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) by the Ministry of Health & Family Welfare to address regional healthcare disparities.[Odisha TV+14Wikipedia+14AIIMS Raipur+14](#)
- Recognized as an Institute of National Importance, it operates autonomously under the AIIMS Act.[Jagranjosh.com+2Jagranjosh.com+2](#)

Location & Campus

- Situated on GE Road, Tatibandh, Raipur, Chhattisgarh (postcode: 492099), AIIMS Raipur covers approximately 103.63 acres — with around 63.85 acres for the hospital and college, and 39.78 acres for residential facilities.[Facebook+14Wikipedia+14nams-india.in+14](#)
- The campus includes the Medical College Hospital (MCH), College of Nursing, Dental College, and a State Virology Lab.[Wikipedia](#)
- Accessibility: Located roughly 26 km from Swami Vivekananda Airport and 10.6 km from Raipur Junction railway station.[Careers360+3Wikipedia+3collegekaka.com+3](#)

Leadership & Institution Stats

- President: Dr. Budhendra Kumar Jain
- Director: Nitin M. Nagarkar[The Times of India+8Wikipedia+8AIIMS Raipur+8](#)
- Students: Around 660 total (approx. 500 undergraduates, 160 postgraduates)
- Faculty: Roughly 142 members[Wikipedia](#)

Academic Programs & Admissions

- MBBS: Admits 125 students per year (increased from 100 since 2013). Admission via NEET-UG.[Wikipedia](#)
- Offers a range of programs including undergraduate, postgraduate, doctoral, nursing, and dental education. Super-specialty and paramedical courses are also available.[Jagranjosh.com+7MBBSCouncil+7Wikipedia+7](#)

Rankings & Recognition

- NIRF Medical Ranking 2024: Ranked 38th in India[Wikipedia+7Wikipedia+7Careers360+7](#)

Advancements & Achievements

- **Advanced Nuclear Medicine Infrastructure:** AIIMS Raipur is currently the only government hospital in Chhattisgarh with in-house production of advanced PET radiotracers — including PSMA, DOTA, FAPI, Exendin PET — thanks to an automated radio synthesizer and Gallium generator. This upgrade enhances cancer diagnostics, bolsters personalised treatment pathways, and streamlines workflows.[The Times of India+2The Times of India+2](#)
- **Robotic Surgery Programme:** From September 6, 2025, AIIMS Raipur will become the first government hospital in Central India to launch a robot-assisted surgery program, offering enhanced surgical precision, reduced recovery times, and better patient outcomes.[The Times of India](#)
- **Viral Research & Diagnostic Lab (VRDL):** The VRDL, operating since 2018 under the Microbiology Department, has secured NABL accreditation for diagnosing 12 major viral infections (e.g., COVID-19, dengue, influenza, HPV), significantly enhancing diagnostic capacity in the region.[The Times of India](#)
- **Innovative Respiratory Device:** A nursing officer from AIIMS Raipur developed the HOAC (Highly Oxygenated Aerosol Controlled) Combo device, a patented respiratory system to minimize airborne infection risks during procedures like nebulization and sputum sampling. The device is currently in prototype and under consideration for pilot studies.[The Times of India](#)
- **Healthcare Outreach:** AIIMS Raipur signed a recent MoU with the Bilaspur government hospital to support clinical training, telemedicine, research collaboration, and faculty exchange—reducing dependence on city-based healthcare for rural citizens.[The Times of India](#)

Summary Table

Category	Details
Establishment	2012 under PMSSY; Institute of National Importance
Campus Size & Facilities	~103.6 acres; includes hospital, college, nursing, dental & virology labs

Category	Details
Location	GE Road, Tatibandh, Raipur (26 km from airport; 10.6 km from railway)
Students & Faculty	~660 students (500 UG, 160 PG); ~142 faculty
Courses Offered	MBBS (125/year), PG, PhD, Nursing, Dental, super-specialty
NIRF Ranking	#38 among medical colleges in India (2024)
Key Advancements	Nuclear medicine, robotic surgery, VRDL accreditation, HOAC device, MoU
