---

### Patient Care, Recognition & Reputation

- The hospital has been recognized as a “Patient Friendly Hospital” by the AHPI Awards for Excellence in Healthcare [Practo+2Accr Natboard+2](#).
- Advanced medical milestones: Yashoda Group treated 10,000 patients using RapidArc technology, marking it as a leader in innovative oncology care [Justdial+3Wikipedia+3Yashoda Hospitals+3](#).
- Patient feedback: Reviews are generally positive, though occasional concerns exist. For instance, a Reddit user shared:

"They charged 1 lakh per day for ICU and 17k per day for single room... doctors are so careless... unnecessary investigations and drugs... goofed up discharge summary."
