

Gleneagles BGS Hospital, Kengeri – An In-Depth Overview

Network & Identity

- Part of Gleneagles Global Hospitals, previously known as Global Hospitals Group, now under the IHH Healthcare umbrella [Bookimed+13Wikipedia+13medicaltrip.in+13](#).
- Situated at 67, Uttarahalli Main Road, near SGBIT Engineering College, Kengeri, Bengaluru (PIN: 560060) [Gleneagles Hospitals+3Drlogy+3ClinicSpots+3](#).

Capacity & Infrastructure

- The hospital houses approximately 450–500 beds and includes 14 operation theatres [Practo+1](#).
- It is well-equipped with a Transplant ICU, advanced imaging facilities, and full multispecialty infrastructure [Gleneagles Hospitals+8MediGence+8ClinicSpots+8](#).

Core Specialties & Clinical Strengths

This is a comprehensive tertiary/quaternary care hospital offering:

- **Multi-Organ Transplants:** Renowned for kidney, liver, heart, and lung transplants—and notably the first in Karnataka to perform simultaneous liver and kidney transplants, as well as kidney and pancreas transplants [Medical Dialogues+13Bookimed+13MediGence+13](#).
- **Cardiac Sciences:** Specializes in cardiothoracic surgery, electrophysiology, interventional cardiology, ATS/GAP, ASD/AVR/MVR, CABG, and critical care [MediGence](#).
- **Neurology & Neurosurgery:** Known for advanced neuroimaging, neurocritical care, and deep brain stimulation [MediGence](#).
- **Orthopaedics & Spine:** Offers joint replacement, spine surgery, sports injury management, and minimally invasive procedures—supported by navigation systems and intraoperative neuromonitoring [MediGence](#).
- **Oncology:** Robust cancer care with radiation, medical, and surgical oncology services, including TrueBeam radiotherapy and a multidisciplinary team—serving around 2,000 cancer patients annually [Mejocare+3Bookimed+3DcodeCare+3](#).

- **Additional specialties:** Gastroenterology, hepatology, bariatric surgery, ENT, general surgery, gynecology, ophthalmology, urology, nephrology, pulmonology, plastic surgery, psychiatry, and more [Practo+1](#).

Patient Volume & Recognition

- **Annual Throughput:** Handles approximately 30,000 outpatients and 50,000 inpatients, with over 18,000 surgeries performed each year [ClinicSpots+1](#).
- **Accreditations & Awards:**
 - NABH (National Accreditation Board for Hospitals & Healthcare Providers)
 - NABL (National Accreditation Board for Testing and Calibration Laboratories)
 - Recognitions include: Best Patient Safety Initiative (FICCI 2019), Best Medical Tourism Hospital (2018), Orthopaedics Excellence (2017), Heart Care Center of Excellence (2016), and Multi-Speciality Leader (2015) [MediGence+1Bookimed](#).

International Patient Support

- **Dedicated International Patient Services (IPS) offering:**
 - Visa assistance, airport pick-up/drop
 - Accommodation coordination
 - Interpreter/translator services
 - Foreign currency exchange
 - International patients' lounge, air ambulance on request
 - Health insurance liaising, SIM card, Wi-Fi, and post-surgery care support [Gleneagles HospitalsMediGence+1](#).
- Also offers video consultations, enabling remote access for patients abroad [Global Health Trip](#).
